MARSHALL OIL'S
HOME COMFORT SERVICE PLANS

Marshall Oil has dedicated itself to finding better ways to serve you. Conversations with many of our customers have resulted in these convenient service plans which:

- Eliminate confusion about coverage
- Give you the very best value
- Ensure maximum peace of mind
- Avoid unnecessary emergency expenses

Please carefully review this brochure and the protections offered by our plans. If you have any questions, just give us a call and we'll help.

TANK PROTECTION PROGRAM

Heating oil tanks typically corrode from the inside out. Your tank may look perfectly fine from the outside but it could be wearing excessively thin. The testing (similar to a medical ultrasound) will allow us to give you a sense of security — or plenty of advance warning that a problem is on the horizon.
